

# 4 EDI VAN FEES YOU SHOULD NEVER PAY

## 1. TRADING PARTNER FEES

Fees when you add or drop a trading partner & fees for partners who aren't a part of your provider's network.

NewEDI won't charge to + or - trading partners; we have a seamless option that enables you to make changes in 5 minutes!

## 2. INTERCONNECT FEES

Interconnect fees are surcharges to your bill when trading partners are members of another VAN.

NewEDI has a relationship with all the major VANs, which means you'll pay ZERO in interconnect fees.

## 3. OVERAGE FEES

Most (if not all) EDI VAN providers charge for overages. NewEDI offers economical, cost-effective tiered pricing.

We guarantee that overage charges will NEVER exceed \$.04 per kilo-character.

## 4. SETUP FEES

Setup charges can make EDI VAN out of reach for many small- and medium-sized businesses.

NewEDI won't charge a setup fee AND we'll assign you a dedicated migration specialist to make the process easier.

NewEDI offers high-quality Tier 1 solutions with no hidden fees, long-term contracts or surcharges. Our EDI solutions are flexible & scalable to meet your needs, from entry-level to a full e-commerce solution.
